Our opinion :

The apartment is very pleasant to live in. The finishes and fittings are of the highest quality. The daylight, the colors, the parquet flooring, everything contributes to making this apartment a property of great quality of life. You'll make it your cozy nest!

The fully-equipped kitchen is highly functional. The central island and high stools are perfect for meals on the go.

Ideal for a single person or a couple. This apartment, located in a residential area, will be appreciated by people looking for real living comfort and tranquility without being too far from the center's amenities.

There is no private parking space for your car, but parking spaces are available in front of the building and on the street (free with the residents' parking sticker).

Excellent orientation, giving you a very bright and pleasant apartment to live in.

No neighbours nearby. You'll be able to enjoy your home in complete privacy.

The apartment is part of a small 6-unit condominium located at the end of a dead-end street, guaranteeing peace and quiet.
